

Operative G T Purdy

Oct. 8th, 1926

Re: Jennie Lampert, now Mrs. Waller, 331 Home St.
She is the girl who was with Erling on the night
of Sept. 14, 1922 when he drove through the lane.

Operative made inquiries in the neighborhood
where Mrs. Waller formerly resided in an effort to learn
if she is a responsible character, as per instructions
of Mr. Palzer.

Interviewed Mrs. Sulem, who lived on Brookside
Terrace, who stated that the Waller girl attended the
school which preceded the one now on Hamilton St. near
Brookside Terrace and that her teacher was a Mrs. Walsh,
who at present is teaching in the Hamilton St. school.
Mrs. Sulem said that she had a little trouble with the
Waller girl at one time, but outside of that she thinks
she is a decent person.

Operative went to the school where Miss Walsh
teaches and interviewed her. She said that the Lampert
girl was one of her pupils in the old school house near
the Station. That she was a good pupil and she could
not say anything against her. She never knew of the girl
being in trouble at any time and could not give any further
information regarding her.

Operative then went to the home of Mr. Hort on
Brookside Terrace, but did not find anyone there. I wanted
to interview Mr. Hort's son John who was a pal of William
Easton's, and made several attempts to get into the house.
Also made inquiries about the Lampert girl, and the people
in that vicinity where the family lived speak well of her.

Operative called Mr. Harry Ketchke on the tele-
phone (Sunset 1492) as he requested. He answered saying,
he did not want to give any information on the matter. He
said he consulted his attorney, who advised him what to do.
I asked him if I could see him again and he said he did
not wish to discuss the matter further.

Respectfully submitted:
